# Behavior Messenger - Start here

Last Modified on 07/28/2026 3:28 pm CDT

The Behavior Messenger allows users to create messages that are sent to guardians when students are involved in a behavior event.

How-to guides

- Create a new Behavior Messenger template
- Delete a Behavior Messenger template
- Create a Behavior Messenger notification

Reference

- Behavior Messenger field descriptions
- Campus fields and sub-reports
- Sub-report options

## Administrator Setup

- Behavior Messenger Tool Rights
