Tool Search: Test Accommodations

The Test Accommodations tool identifies the assessments for which the student requires special accommodations and modifications. Fields that are specific to BIE are described below. Refer to the core [Test Accommodations](#) article for additional information.

The screenshot shows the 'Test Accommodations' tool interface. At the top, there is a header bar with the title 'Test Accommodations' and a star icon. Below the header, there is a navigation bar with links for 'Student Information', 'General', and 'Test Accommodations'. The main content area is divided into two sections. The top section, titled 'Test Accommodations', contains a table with columns for 'Start Date', 'Assessment', 'Assessment Accommodations', and 'Test Accommodations'. The bottom section, titled 'Test Accommodations Detail', contains several fields: '*Start Date' (a date picker), 'End Date' (a date picker), '*Assessment' (a dropdown menu with 'Select a Value'), 'Test Type' (a text input), 'Subject' (a text input), '*Assessment Accommodations' (a dropdown menu), '*Test Accommodations' (a text input with 'Select Values'), and 'Comments' (a text area).

Create a Test Accommodation

1. Click **New**. The **Test Accommodations Detail** displays.
2. Enter the **Start Date** for the accommodation.
3. Select the **Assessment** for which the accommodation applies.
4. Select the applicable **Assessment Accommodation** category.
5. Select the accommodation(s) the student receives for the designated test.
6. Enter any additional Comments.
7. Click **Save** when finished.

The Test Accommodations record is listed in the Test Accommodations editor.

Repeat this process for each test for which the student requires an accommodation.

When the student no longer requires the accommodation, enter an **End Date**.
