

Account Management Wizard Rights

Last Modified on 06/25/2026 1:45 pm CDT

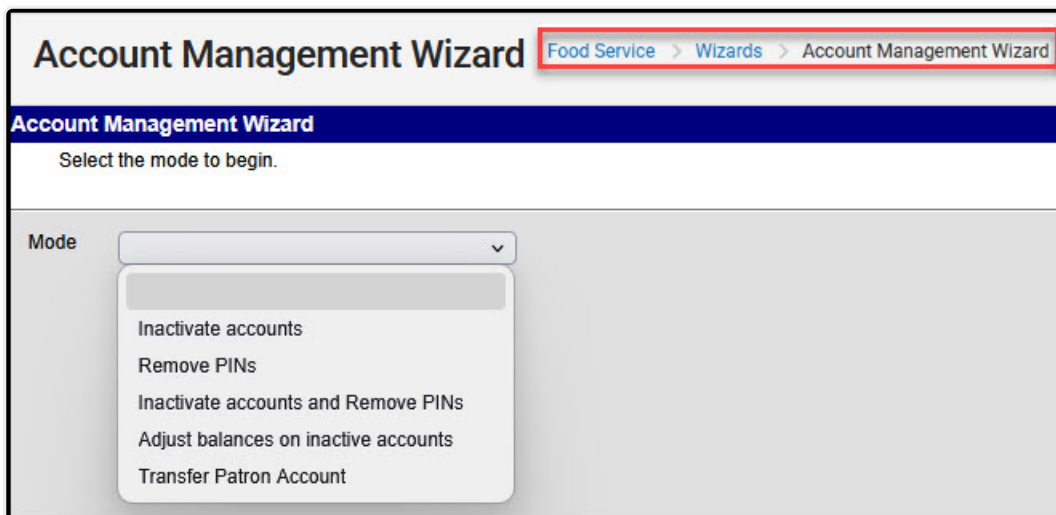

Food Service Wizards allow staff to create and manage user accounts.

The **Account Management Wizard** assists in completion of the following tasks:

- [Inactivate Food Service accounts](#)
- [Remove PINs](#)
- [Inactivate accounts AND remove PINs](#)
- [Adjust balances on inactive accounts](#)
- [Transfer patron account data](#)

See the [Account Management Wizard](#) article to learn how to use this tool.

These tools are only available to customers who have purchased **Campus Point of Sale** as add-on functionality. To learn more about how these tools are used, see the articles in the [Food Service Wizards](#) category.

Account Management Wizard

- Only users assigned the **Point of Sale Product Security Role** may assign Point of Sale tool rights to other Campus application users.
- See the [Product Security Roles](#) article to learn how security roles function within a multi-product or premium product environment.

Available Tool Rights

Users who create and manage food service accounts may need access to several or all Food Service Wizards.
