Standards (Course Masters) - Start here

Last Modified on 06/30/2026 3:53 pm CDT

The Standards tool lists the standards which the school must administer and/or grade for the selected course.

Tutorials
• Overview video for Course Master Standards

How-to guides
• Add Standards to a Course Master • Delete Standards from a Course Master • Copy Standards to another Course Master

Reference
• Ad hoc fields for Course Masters

Administrator Setup

- Standards Tool Rights
- Grading setup at the Course Master level must be pushed to the course-level for an individual Course Master or en masse.
