Enrollment Census Extracts

Last Modified on 11/12/2026 3:26 pm CST

Path: Reporting > RI State Reporting > Enrollment Census

The Enrollment Census Extracts report a variety of student information for state reporting, including demographics, address and contact information, behavior events, and program participation.

Enrollment Census Extracts meet state reporting requirements for federal funding, ADM, and student assessments

Report Editor

Field	Description

Field	Description
Extract Type	Determines which Enrollment Census extract generates. See the articles below for details on report logic and layout information: • Enrollment Census Core • Program Status • Home Address • Discipline • Attendance (November 2026) • Class Roster • Summer Withdrawal • Dual Language
Effective Date	Indicates the date used to return actively enrollment students in the report.
Format	Indicates how the report generates - CSV or HTML.
Report Legal Identities	When marked, the student's legal name and gender reports from the Protected Identity Information area on the Identity record.
Select Calendar	At least one calendar needs to be selected in order to generate the report.
Generate Extract	Displays the report in the selected format.

Generate the Enrollment Census Extracts

1. Select the desired extract from the **Extract Type** dropdown list.
2. Enter an **Effective Date** in *mmddyyyy* format, or click the calendar icon to select a date.
3. Select the **Format** in which the report should generate. Options are CSV and HTML.
4. If the student's legal name and gender information should report from the Protected Identity Information area, mark the **Report Legal Identities** checkbox.
5. Click **Generate Extract** to generate the report.
