Point of Sale (POS) tools are available with Campus Food Service.

The **Item Categories** tool is used to organize purchasable items for reporting and processing purposes.

See the Item Categories article to learn how to use this tool.

Item Categories

- Only users assigned the **Point of Sale Product Security Role** may assign Point of Sale tool rights to other Campus application users.
- See the Product Security Roles article to learn how security roles function within a multi-product or premium product environment.
