Payment Location Tool Rights

Last Modified on 06/25/2026 2:04 pm CDT

The **Payment Location** tool is used to define where a payment to a Point of Sale account was made.

See the Payment Location article to learn how to use this tool.

These tools are only available to customers who have purchased **Campus Point of Sale** as add-on functionality. To learn more about how these tools are used, see the articles in the Food Service Administration category.

Payment Location

- Only users assigned the **Point of Sale Product Security Role** may assign Point of Sale tool rights to other Campus application users.
- See the Product Security Roles article to learn how security roles function within a multi-product or premium product environment.
