

Purchasable Items Tool Rights

Last Modified on 06/29/2026 1:57 pm CDT

The **Purchasable Items** tool is used to define and manage food items available for purchase in a district.

See the [Purchasable Items](#) article to learn how to use this tool.

These tools are only available to customers who have purchased **Campus Point of Sale** as add-on functionality. To learn more about how these tools are used, see the articles in the [Food Service Administration](#) category.

Purchasable Items

- Only users assigned the **Point of Sale Product Security Role** may assign Point of Sale tool rights to other Campus application users.
- See the [Product Security Roles](#) article to learn how security roles function within a multi-product or premium product environment.
