Terminal Manager Tool Rights

Last Modified on 06/25/2026 2:09 pm CDT

The **Terminal Manager** tool allows administrators to remotely manage all terminals within the district.

See the Terminal Manager article to learn how to use this tool.

These tools are only available to customers who have purchased **Campus Point of Sale** as add-on functionality. To learn more about how these tools are used, see the articles in the Food Service Administration category.

Terminal Manager

- Only users assigned the **Point of Sale Product Security Role** may assign Point of Sale tool rights to other Campus application users.
- See the Product Security Roles article to learn how security roles function within a multi-

product or premium product environment.
