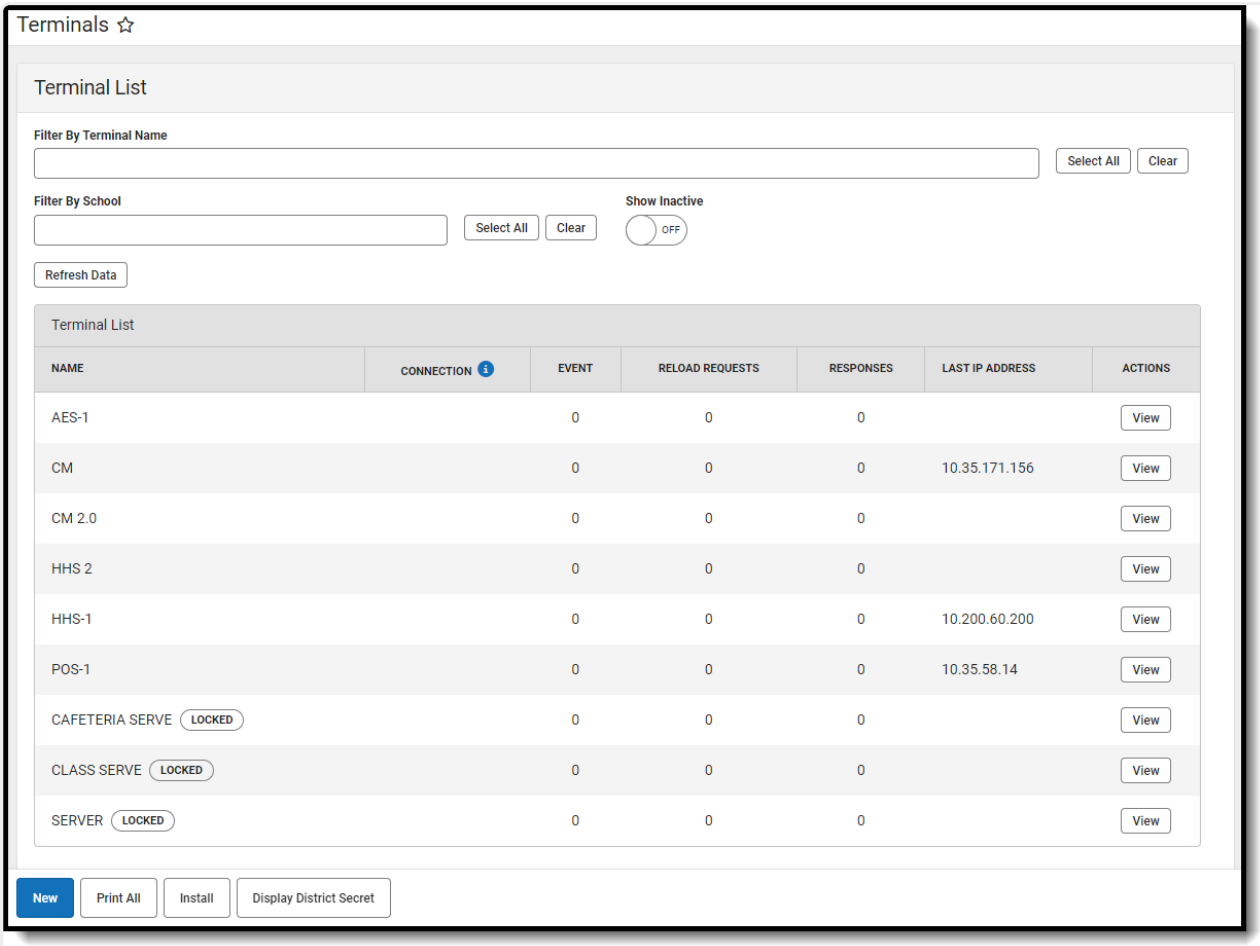
Terminals Tool Rights

Last Modified on 06/29/2026 1:57 pm CDT

The **Terminals** tool contains system information and settings for all Point of Sale terminals within a district. Cafeteria Serve and Class Serve system information is included for districts that use those options.

See the Terminals article to learn how to use this tool.

These tools are only available to customers who have purchased **Campus Point of Sale** as add-on functionality. To learn more about how these tools are used, see the articles in the Food Service Administration category.



Terminals

- Only users assigned the **Point of Sale Product Security Role** may assign Point of Sale tool rights to other Campus application users.
- See the Product Security Roles article to learn how security roles function within a multi-

product or premium product environment.
