# Food Service Setup Tool Rights

Last Modified on 10/29/2026 9:58 am CDT

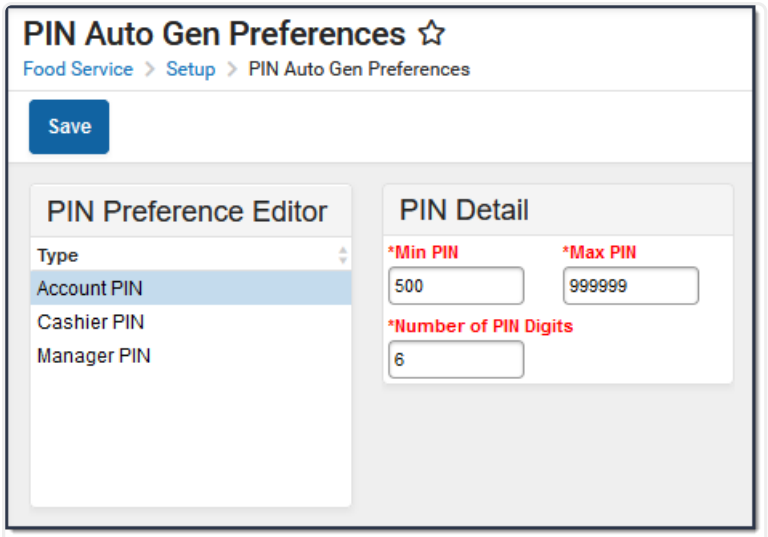

Point of Sale (POS) tools are available with Campus Food Service.

The **Food Service Setup** tools are used to set General Preferences for the POS system, autogenerating PINs, and using the Class Serve tool.

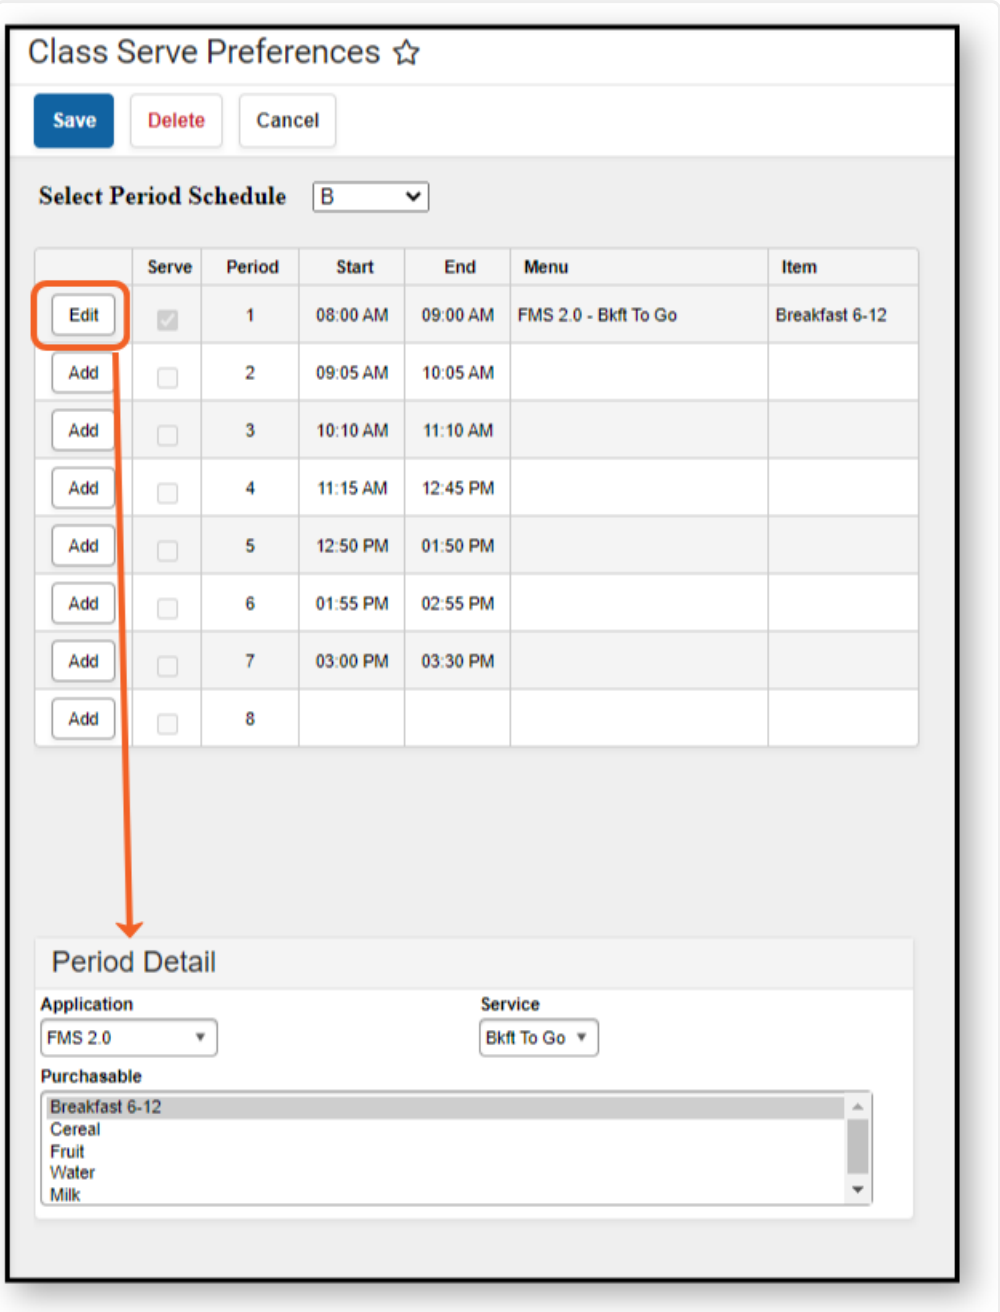

See the Food Service Setup articles to learn how to use these tools.

*General Preferences*

*PIN Auto Gen Preferences*

*Class Serve Preferences*

- Only users assigned the **Point of Sale Product Security Role** may assign Point of Sale tool rights to other Campus application users.
- See the Product Security Roles article to learn how security roles function within a multi-product or premium product environment.
