| Fields                                   | Description                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Ad Hoc Inquiry<br>Database Location                                                                                                                              |
|------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Program Status</b><br><i>Required</i> | <p>Indicates the student's EL status. Options include:</p> <ul style="list-style-type: none"> <li>• <b>EL</b> - Student is currently receiving EL services.</li> <li>• <b>Exited EL</b> - Student has exited the EL program.</li> <li>• <b>Pending</b> - School identified the student as possibly needing EL services, but no formal EL determination has been conducted.</li> <li>• <b>Not EL</b> - Student is not eligible/does not require an EL program.</li> </ul> | <p><b>Ad Hoc:</b> Student &gt; Learner &gt; EL &gt; EL &gt; programStatus</p> <p><b>Database Location:</b><br/>lep.programStatus</p>                             |
| <b>LIEP Start Date</b>                   | Date the student was identified as eligible for an EL program or service. This date reflects the date the student took the Screener/Initial Determination Test. This date is used to determine whether the student is participating in an English Language (EL) program.                                                                                                                                                                                                 | <p><b>Ad Hoc:</b> Student &gt; Learner &gt; EL &gt; EL &gt; identifiedDate</p> <p><b>Database Location:</b><br/>lep.identifiedDate</p>                           |
| <b>Expected Exit Date</b>                | Date the student is anticipated to exit the EL program.                                                                                                                                                                                                                                                                                                                                                                                                                  | <p><b>Ad Hoc:</b> Student &gt; Learner &gt; EL &gt; EL &gt; expectedExit Date</p> <p><b>Database Location:</b><br/>lep.expectedExit Date</p>                     |
| <b>Date Determined Misidentified</b>     | Date the student's status was determined as misidentified.                                                                                                                                                                                                                                                                                                                                                                                                               | <p><b>Ad Hoc:</b> Student &gt; Learner &gt; EL &gt; EL &gt; determinedMisidentifiedDate</p> <p><b>Database Location:</b><br/>lep.determinedMisidentifiedDate</p> |
| <b>LIEP End Date</b>                     | Date the student exited the EL program. Indicates the student is no longer reported as EL within state and local reports.                                                                                                                                                                                                                                                                                                                                                | <p><b>Ad Hoc:</b> Student &gt; Learner &gt; EL &gt; EL &gt; exitDate</p> <p><b>Database Location:</b><br/>lep.exitDate</p>                                       |
| <b>LIEP Language of Instruction</b>      | Identifies the primary language used to deliver instruction within the student's Language Instruction Educational Program (LIEP).                                                                                                                                                                                                                                                                                                                                        | <p><b>Ad Hoc:</b> Student &gt; Learner &gt; EL &gt; EL &gt; liepInstructionLanguage</p> <p><b>Database Location:</b><br/>lep.liepInstructionLanguage</p>         |

| Fields                        | Description                                                                                                                                                    | Ad Hoc Inquiry<br>Database Location                                                                                            |
|-------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| <b>First Year Monitoring</b>  | A read-only field calculated as exactly one year from the <b>LIEP End Date</b> . This field is used in federal reports for tracking and reporting purposes.    | <b>Ad Hoc:</b> Student > Learner > EL > EL > firstYearMonitoring<br><br><b>Database Location:</b><br>lep.firstYearMonitoring   |
| <b>Second Year Monitoring</b> | A read-only field calculated as exactly two years from the <b>LIEP End Date</b> . This field is used in federal reports for tracking and reporting purposes.   | <b>Ad Hoc:</b> Student > Learner > EL > EL > secondYearMonitoring<br><br><b>Database Location:</b><br>lep.secondYearMonitoring |
| <b>Third Year Monitoring</b>  | A read-only field calculated as exactly three years from the <b>LIEP End Date</b> . This field is used in federal reports for tracking and reporting purposes. | <b>Ad Hoc:</b> Student > Learner > EL > EL > thirdYearMonitoring<br><br><b>Database Location:</b><br>lep.thirdYearMonitoring   |
| <b>Fourth Year Monitoring</b> | A read-only field calculated as exactly four years from the <b>LIEP End Date</b> . This field is used in federal reports for tracking and reporting purposes.  | <b>Ad Hoc:</b> Student > Learner > EL > EL > fourthYearMonitoring<br><br><b>Database Location:</b><br>lep.fourthYearMonitoring |
| <b>Parent Notified</b>        | Date the parent/guardian was notified of EL eligibility.                                                                                                       | <b>Ad Hoc:</b> Student > Learner > EL > EL > parentNotifiedDate<br><br><b>Database Location:</b><br>lep.parentNotifiedDate     |
| <b>Parent Declined</b>        | Indicates the parent/guardian declined EL services for the student.                                                                                            | <b>Ad Hoc:</b> Student > Learner > EL > EL > parentDeclined<br><br><b>Database Location:</b><br>lep.parentDeclined             |
| <b>Parent Declined Date</b>   | Indicates the date when the student's parent(s) declined EL services.                                                                                          | <b>Ad Hoc:</b> Student > Learner > EL > EL > parentDeclinedDate<br><br><b>Database Location:</b><br>lep.parentDeclinedDate     |
| <b>Comments</b>               | Any comments related to the student's EL record (500 character maximum).                                                                                       | <b>Ad Hoc:</b> Student > Learner > EL > EL > comments<br><br><b>Database Location:</b><br>lep.comments                         |

| Fields                                                                                                                                                                                                                     | Description                                                                                     | Ad Hoc Inquiry<br>Database Location                                                                                                         |
