

Portal Usage Report (Portal Preferences) - Start here

Last Modified on 08/06/2026 1:53 pm CDT

The [Portal Usage Report](#) describes usage of the Portal, [Campus Student](#), or [Campus Parent](#) by students and guardians and is available in Summary and Detail versions. A version of this report is also available for [teachers](#).

This report is available in two versions: The [Detail Report](#) and the [Summary Report](#).

How-to guides

Portal Usage Detail Report

- [Generate the Detail Report](#)

Portal Usage Summary Report

- [Generate the Summary Report](#)
