Tool Search: Homebound

The Homebound tool allows a district to record a student's start and end dates as a Homebound student, along with any applicable comments regarding the student's Homebound classification.

Overlapping records are not allowed.

The screenshot displays the Homebound tool interface. At the top, there's a header with a user icon, the title 'Homebound', and navigation links: 'Student Information', 'State Programs', and 'Homebound'. Below this, student information is shown: 'Ibrahim', 'Student #:', 'Grade: 09', and 'DOB:'. A counselor name 'Megan' is also listed. There are flags for 'EL' and 'BMHS 2023+ Diploma'. Action buttons include 'New', 'Save', 'Delete', and 'Print Summary Report'. The 'Homebound Summary' section shows a 'Start Date' of '07/01/2026' and a link for 'End Date'. The 'Homebound Detail' section includes fields for 'Start Date' (with a calendar icon), 'End Date' (with a calendar icon), and a 'Comments' text area. A note at the bottom right of the detail section says 'Modified By: Administrator, System 07/15/2026 12:53 PM'. The 'State Defined Elements' section at the bottom has two input fields: 'Tutoring Minutes Per Day' (set to 60) and 'Tutoring Attendance Override' (set to 0).
