OLR Federal Program Posting Setup - Start here

Last Modified on 11/11/2026 3:13 pm CST

The OLR Federal Program Posting Setup tools are used to set up federal program fields in online registration applications that automatically post to the Campus field.

How-to guides

- Create federal program OLR Lists Bank
- Copy federal program fields to custom list bank
- Create fields in OLR Builder
- Modify wording for clarity and translations
