Programs - Start Here

Last Modified on 10/26/2026 1:10 pm CDT

The Programs tool lists the programs in which the individual (a non-student, a parent/guardian, a staff person, etc.) is involved. This only includes Programs created in the Program Admin toolset.

Getting started

- Prerequisites

How-to guides

- Assign an individual to a program
- Edit and delete program assignments
- Print program assignments

Explanation

- Program Participation Summary information

Reference

- Program Participation Editor details
- Programs Tool Rights
