The Title Funded Programs tool allows staff to enter information for individual students participating in programs such as Title I, Part A; Title I, Part D; and Title III. This article details the Montana-specific fields in this tool. Montana users can enter both Title I, Part A and Title I, Part D records.

Overlapping records are not allowed.

See the core [Title Funded Programs](#) article for additional information.

The screenshot shows the 'Title Funded Programs' tool interface for a student named Sylvia S. The header includes the student's name, DOB, Student #, and Grade: 10. There are tabs for 'Medical Condition(s)' and 'OTC Med Allowed'. The main content area displays a message about uploading documents and filter options for Start Date, End Date, and Title Funded Program. Two records are shown: 'Title I, Part A' and 'Title I, Part D', both with a start date of 09/01/2026 and created by Butte Public Schools. Each record has a 'View' button. At the bottom, there are 'New' and 'Print' buttons.
