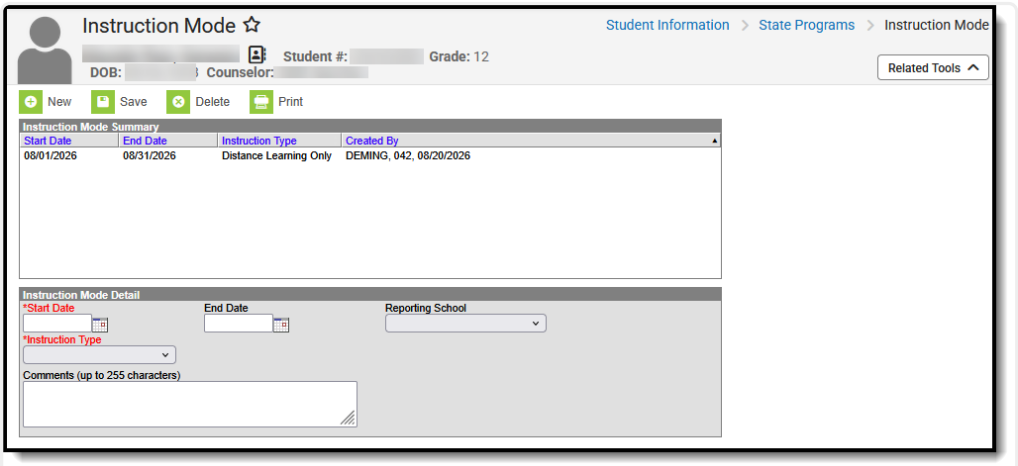
Instruction Mode (New Mexico)

Last Modified on 09/18/2026 9:59 am CDT

Path: Student Information > State Programs > Instruction Mode

The Instruction Mode tool allows districts to record the learning environment in which a student is participating.



Instruction Mode editor

Read - View Instruction Mode records.
Write - Edit existing Instruction Mode records.
Add - Add new Instruction Mode records.
Delete - Remove Instruction Mode records.

For more information about Tool Rights and how they function, see the Tool Rights article.

Add an Instruction Mode Record

1. Click the **New** button. An Instruction Mode Detail editor displays.
2. Enter the applicable information for the student.
3. Click the **Save** icon when finished. The saved record displays in the Instruction Mode summary.

Use the Federal/State Program Updater to import existing Instruction Mode records for students or to update records for multiple students.
