

English Learners (EL) Accommodations - Start here

Last Modified on 09/10/2026 2:19 pm CDT

The [EL Accommodations](#) tool is used to track and manage EL accommodations provided to a student throughout the school year and over the course of their school career. This tool is read-only for State Edition users.

Getting started

- [EL Accommodation Types](#) must be established before this tool can be used.

How-to guides

- [Enter EL Accommodations](#)
- [Print a student's accommodation history](#)
- [View documents](#)
