

RTI Caseload - Start here

Last Modified on 09/30/2026 4:26 pm CDT

The Response to Intervention [Caseload tool](#) allows you to view and manage your RTI students. From here, you can access the student's Summary, Team Member, Documents, and Contact Log information, as well as enter an intervention delivery record and finalize the student's RTI plan.

How-to guides

- [View your caseload](#)
- [Finalize](#) student intervention plans

Intervention Deliveries

- [Record a delivery time](#)
- [Enter a new delivery](#)
- [Edit or delete a delivery](#)
