

Behavior (Utah)

Last Modified on 09/18/2026 11:00 am CDT

Path: Behavior Office > Behavior Management

The Behavior Management Tool allows users with the appropriate tool rights to manage existing behavior as well as enter new behavior incidents.

Behavior fields that are specific to the state of Utah are described below in the Behavior Response and Participant Details sections. See the core [Behavior Management article](#) for information on necessary tool rights, available Ad hoc fields, and guidance managing Behavior information.
