Advanced Measures (Texas)

Last Modified on 09/28/2026 11:19 am CDT

Path: Student Information > Academic Planning > Advanced Measures

The Advanced Measures tool allows users to record and manage student achievements that contribute to Texas accountability, College, Career, and Military Readiness (CCMR), and performance acknowledgment reporting. Advanced measures may include accomplishments such as industry-based certifications, licensures, and other Texas Education Agency (TEA)-recognized indicators that demonstrate student readiness beyond standard academic requirements.

Add and maintain Advanced Measure records for a student.

Read - View Advanced Measures records.
Write - Edit existing Advanced Measures records.
Add - Add new Advanced Measures records.
Delete - Remove Advanced Measures records.

See the Tool Rights article for more information.

Add an Advanced Measures record

1. Click **New** to open the Advanced Measures detail screen.
2. Enter the **Date** (required).
3. Select the relevant **Advanced Measure** (required) for the student.
4. Add **comments** if needed.
5. Click **Save** when finished.
6. Modify existing records by clicking anywhere in the appropriate record row and making the necessary adjustments. **Save** when finished.

Advanced Measures field descriptions
