Medicaid Insurance Setup - Start here

Last Modified on 10/20/2026 3:04 pm CDT

The Medicaid Insurance tool allows a district to enter each insurance carrier it wishes to track. Each insurance is linked to a type, indicating whether the entry is private or Medicaid. The Insurance editor provides a way to track students' insurance types, start dates, and applicable end dates over time.

How-to guides
• Add Insurance Types

Reference
Administrator setup • Medicaid Insurance Setup tool rights

Explanation
• Active vs Inactive Insurance Entries
