OLR Version 6.7 Release Notes

Last Modified on 11/06/2026 2:19 pm CST

This functionality is available to districts that have purchased Online Registration (OLR) as an add-on service. For more information, contact the appropriate Client Relationship Manager.

OLR Release Notes describe all changes included within the release pack, which may impact users who use Online Registration as add-on functionality to their existing student information system. Questions or concerns regarding an update should be directed to Campus Support. See the Online Registration Product Documentation for more information.

Online Registration (OLR) Version 6.7.0 (11/6/2026)

This version of Online Registration is compatible with Campus-2647 and later.

Fixes

- Fixed an issue where document uploads and health information would be removed from the Health Conditions and Medications Pleats when the "Show Health Pleats to Approval Admins and in Reports" setting was unchecked and a change was made to the application by someone without access to those pleats. (CDP-4867)
  - Tool Search: Application Processing
- Fixed an issue where swapping to another language didn't swap the language of the Health Conditions droplist. (CDP-5088)
  - Tool Search: Application Processing
