Content Update for .2647

Last Modified on 11/19/2026 11:24 am CST

The Content Update page is designed to keep you informed about content published in the Knowledge Base for each Campus release. Please share this with others who may find it valuable.

Civil Rights Data Collection (CRDC) 2025-2026 updates

Product Path: Reporting > Civil Rights Data Collection (CRDC)

The CRDC articles have been updated for the current 2025-2026 submission. These articles guide users through using Campus tools to gather the data needed for the current submission. The submission window opens in December.

- Civil Rights Data Collection - Start here

NEW OK Eligibility content

Product Path: Student Information > OK Eligibility

Content for the Oklahoma-specific toolset that tracks student eligibility for participation in sports and other activities based on weekly grades is now available. Content includes:

- A video series that provides an overview, setup, and reporting options
- A workflow of what to do and when
- Information on setting up OK Eligibility for the school year
- Reports that can be generated
- Tool rights information

Campus Learning updates

Organizing Assignments and Resources

New video demonstrating how teachers can use Campus Learning to thoughtfully organize curriculum, assignments, and resources, creating a consistent and intuitive experience for students.

- Organizing Assignments and Resources (Campus Student) – Video

Student Submission and Feedback

New video walking users through the student submission experience, from turning in an assignment and confirming its status, to reviewing scores, teacher feedback, and comments.

- Student Submission and Feedback (Campus Student) – Video

Communication and Engagement

New video demonstrating how communication tools in Campus Student help students stay informed, supported, and engaged in their learning.

- Communication and Engagement (Campus Student) – Video

Differentiating the Student Experience

New video showing how teachers can differentiate the student experience with Campus Learning to help support the needs of all students.

- Differentiating the Student Experience (Campus Student) – Video

Additionally, you can visit Student Experience with Campus Learning to watch the entire video series from one article.

More to come in .2651!
